LOOKING GLASS 2007 CHARDONNAY

BOUNTY
CELLARS

TASTING NOTES

Our winemaker has guided this Chardonnay to perfection with 10 months of aging in both American and French oak barrels thus achieving a balance between the buttery soft mouth feel, crisp fresh apple notes and rich lingering finish. Enjoy slightly chilled. Cheers!

SUGGESTED FOOD PAIRINGS

Our Looking Glass 2007 Chardonnay is an elegant, rich and round Chardonnay, perfect to pair with creamy herb chicken pasta, followed by a dessert featuring nicely ripened pineapple. We also enjoy it as the perfect turkey wine at Thanksgiving.
